

JUNE MESSAGE: MONTH OF

KINGDOM VISITATION & NATIONS

ISSUE #3 | VOLUME 6 | 2026

And, in the sixth month, the angel Gabriel was sent from God to a city ... to visit a virgin, named Mary....Lk. 1.26-27

Whatever he says to you, do it. Jn. 2. 5.

In the sixth month after the Lord's angel visited Zechariah and Elizabeth the same angel was sent to Mary, who was single, betrothed and virgin. Zechariah and Elizabeth, now in old age, both faithfully served the Lord at a time when Israel's leaders failed to honor God, their promises to their spouses or the Lord's altar even though they taught others to do so. Elizabeth would have a miracle child (John) who would be a forerunner of the Lord Jesus, the eternal King of the nations for all time. John will come in the POWER and SPIRIT of Elijah (Mal. 4.5-6). These events ended four hundred years of the Lord's silence in speaking to His people.

Welcome to the month of June. Expect the following things:

First, Answers to long awaited prayers, no matter how long the delay. Second, expect the impossible. Irrespective of what happened in the past, you should expect that this season of kingdom visitation would turn things around for you as you embrace the Lord's word afresh and His Holy Spirit.

Thirdly, it is a time to shift your focus from scary news of global economic and political meltdowns – layoffs, serious social and political upheavals. We are to refocus our attention on what our great King that's visiting has for us. He said my sheep hear my voice and they follow me. (Jn.10.27). Therefore, for those who already know and submitted to this great King, it is a

season of good news. As you obey His word and His Spirit, expect your Good shepherd to lead you to abundance and the good and green pasture He prepared for you. Furthermore, He would also anoint your head with oil and set a table before you while your enemies watch. For those yet to fully submit to Him it is the time to do so.

Fourthly, all of us must seek Him and the fullness of His Spirit and Power, like Elijah. Ignore the noise and refocus Him for radical changes in our personal lives and our Nations. We are to obey His commandments to love Him above all and all of God's people everywhere irrespective of our superficial differences in gender, ethnicity, color, age and language. (Gal. 3.28). Filled with the Lord's Spirit and Power we are to reconcile the heart of the fathers to their children and vice versa (Lk.1.17, Mal.4.6). We are to take up the strategies for warfare in all the nations in which He placed us. *God expects the church to enforce His kingdom in the nations beginning from this season as He did before.*

Finally, it is also a season to review and reposition ourselves concerning the goals the Lord gave to us at the beginning of this year for our cities and nations. This would hopefully help us to prepare ourselves and our circle of friends and family for the soon coming King's ultimate visit whenever He chooses to come in person.

Welcome to the month of Kingdom Visitation & Nations.
